

Tomasello Winery NV Outer Coastal Plain Pinot Grigio

Summary:

Terroir: The Outer Coastal Plain AVA runs from Princeton east toward Freehold and down to the tip of Cape May. It is characterized by sandy loam soil with a 6 to 8 foot deep clay bottom which promotes good drainage. Degree days are one degree day less than Rutherford in California which promotes wines of moderate alcohol and hence approachability as a food wines. The Outer Coastal Plain is no more than 35 miles from the Atlantic Ocean which results in a maritime influence on the vines.

Vinification: Harvested from our OCP vineyard on September 7, 2012 at a 19.7 brix with a t/a of 5.6 this Pinot Grigio was fermented to dryness using a Prise de Mousse yeast isolated from the Champagne region. It is crisp and dry and prominently grapefruit in character. Excellent with shellfish and jumbo sea scallops.

Details:

- Producer:** Tomasello Winery
- Wine Color:** White
- Region:** Outer Coastal Plain
- Country:** USA
- Blend:** 100% Pinoy Grigio
